Certificate of Appreciation

I am pleased to inform you that Ansh Chawla of GD Goenka Public School, Paschim Vihar, New Delhi, has been a regular visitor of 'The Earth Saviours Foundation' since 2022, a renowned NGO dedicated to the welfare of senior citizens and disabled people. For the past two years, he has devoted valuable time to collecting and providing food to these individuals living at the centre of 'The Earth Saviours Foundation' at Bandhwari Village, District Gurugram, Haryana.

Ansh Chawla works sincerely, resourcefully, and professionally to coordinate with the NGO's administration team. He helps the senior residents by serving food and spending time with them. For instance, he has organised special events on their birthdays, ensuring they feel loved and remembered. He also helps serve meals, especially for those in wheelchairs. He talks to them and shares his hobbies and interests. People there are now familiar with him and feel comfortable asking him for assistance.

His interactions with the residents have profoundly impacted him and enriched the lives of those he has connected with. His special bond with Ms Deepali, a disabled elder who finds joy in writing and shares her inspiring life philosophy, is a testament to his positive influence on the community.

They appreciate his kindness and give him valuable advice. They emphasise the importance of having a family and ask him to appreciate and be thankful for a loving family. We have observed that he is not only confident, helpful, warm-hearted, and jovial but also patient, empathetic, and respectful, making him a beloved community member.

We are deeply grateful for Ansh Chawla's continued service and dedication to spreading awareness by sharing his experiences with friends and family. We sincerely hope that he will continue to offer his selfless services. May he be blessed with a long, happy, healthy life and the strength to continue serving humanity.
